

Your Personal Mission Statement **This is Pastor Darrell's own personal example*

A List 3 things that you really enjoy doing	B List 3 skills or talents that you have	C List 3 things in this community or the world that you would change if you could (Be specific)	D How could you use something from column A or B to do something to make a difference in column C?
1 People	1 Conversation	1 Aloneness	→ I can give a friendly greeting and a positive word to everyone I meet, even strangers.
2 Writing	2 Stories	2 Hopelessness	→ I can write positive stories (or sermons) that offer good news and hope to readers (or listeners).
3 Nature	3 Peace of God	3 Stress	→ I can invite people to join me in positive natural settings and give the chance for quiet, peaceful reflections.

Think about this.

“God’s will for my life is likely where my greatest passion meets the world’s greatest need.”

God’s will for my life is: *Live joyfully in God’s love and peace.*

My God-given mission is: *Share the good news of God’s love and peace through writing and preaching.*

Now on the provided, blank Mission Statement sheet think through what God’s mission (your Mission Statement) might be for your life.
